

# TESTIMONIALS

## Selected Highlights:

“Joe Mac’s impact is rare. College football is fiercely competitive — leadership and culture are everything. Joe strengthened both our players and coaches. We saw positive results on day one, and the impact continued across multiple seasons. Our guys learned so much, but I may have taken away more.”

**-Kevin Donnalley, Director of Leadership & Development | 13-year NFL Veteran**

“This was the exact message our leadership workforce needed. Joe equipped good leaders with practical tools to become great ones and build cohesive, high-performing teams. The feedback was overwhelmingly positive — and the impact was immediate.”

**-Chris Sargent, Naval Information Warfare Center Atlantic**

“I could not recommend Joe McNamara more highly. The Iron Leader approach drives immediate accountability, clarity, and agility inside organizations. It produces leaders who act.”

**-Jim Rechel, President, The Rechel Group, Inc**

“

**Every head coach  
should have  
someone like Joe  
in their corner.**

**-Jackie Kirr, Head Coach  
Clemson Volleyball**

SEND ME MINDSET

**I learned more from Joe Mac than from any other speech I've heard. He doesn't just teach leadership – he shows you how to apply it immediately.**

**-Garrett Williams, Clemson Football 2x National Champion, Strength & Conditioning Coach**

## *Executive & Enterprise Teams*

"Joe Mac's impact on our team was immediate. His message was convicting – but more importantly, he equipped our leaders with actionable tools and ignited them into action."

**-Jonathan Mattox, General Manager**

"Joe Mac gets real, fast! A powerful, but practical message for all."

**- Doug Hague, CEO Architectural Woodwork Institute**

"Joe McNamara is a high-character, motivated, leadership development specialist. If you need better prepared leaders on your team, then you need to connect with Joe Mac and the Iron Leader team. They're the best."

**-Cory Bailey, VP Block Builders**

## *Conference & Industry Event Feedback*

"In 25 years of attending the mining conference nationwide, this was hands down the most impactful leadership session I've ever experienced."

"This was one of the few times that the speaker actually kept everyone engaged and made it easy for us to bring back these principles to our IPT's. I've already started implementing some of the tools with my team."

"One of the best leadership speakers I have ever heard."

"It was challenging, informative, inspirational. It had such an impact on me personally!"

"This was an eye opener! Clear and very motivating to learn and keep the gears turning towards greatness. SEND ME!"
